With reference to your memo No A6 C 918/43-44 dated 25-9-43 forwarding a copy of letter No L 3498/M1 118-43-4 dated 21-9-43 of the Law Secretary in the above matter, I have the honour to state as follows -

1 A comprenensive estimate for Rs 17,330/- for improvement of water supply to Madhugiri Town was forwarded to the President, Town Municipal Council, Madhugiri, in this office No 748 dated 24th Oct 1940 The salient features of this estimate were the replacement of the existing 8 H P engine by 15 H P engine and providing increase capacity pumping unit as to be able to draw 4000 gallons an hour and improvements to the distribution with additional public fountains

2 Reference is invited to this office memo No, 350 dated 5th Sept 1942 forwarding to you copy of letter No 292 dated 5th Sept 1943 addressed to the Director of Public Health in Mysore, Bangalore, wherein it was intimated that due to inordinate increase in the price of materials, the comprehensive estimate would shoot up to about Rs 50,000/- and that the real trouble was the lack of finances in the Municipality

3 Finally the Law Secretary in his letter No L 3565/M 1 73-42-4 dated 30-9-43 to the Director of Public Health intimated that the improvement of water supply to Madhigiri Town may be deferred for the present
